### Additional

Photoshop specialist

I specialize in photo editing using Adobe Photoshop. From color correction to creative retouching, I enhance images with precision and care.

### Artist

I create drawings using pencil, charcoal, and ink. My work focuses on detail, texture, and emotion, often inspired by people, nature, and everyday life.

### Professional photographer & videographer

Specializing in portraits, events, and lifestyle photography, I aim to tell visual stories. My approach combines creativity with technical skill resulting in powerful images.
